TOWN WARRANT

To the Inhabitants of the Town of Westmoreland in the County of Cheshire in said State, qualified to vote in Town Affairs:

The polls will open at 10:00 A.M. and will not close before 7:00 P.M.

You are hereby notified to meet at the Town Hall in said Westmoreland on Tuesday, the second day of March, next at seven of the clock in the evening to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to adopt the absentee ballot system for Town Meeting.
3. To hear the reports of Agents and Auditors, and take any action relating thereto.
4. To see if the Town will vote for Class IV or Class V roads construction; reconstruction or betterment aid, and raise and appropriate the sum of \$824.30 the State contributing \$5495.31.
5. To see if the Town will vote to raise and appropriate the sum of \$845.00 as its fair share of operating costs of Cheshire Hospital.
6. To see if the Town will vote to raise and appropriate the sum of \$510.00 — 50 cents per capita — for Monadnock Family and Mental Service.
7. To see if the Town will vote to raise and appropriate the sum of \$435.00 for support of the Monadnock Regional Association.
8. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act for use as a set-off against the following debt service incurred for "Priority Expenditures" since January 1, 1972:

Purpose	Amount
1973 Highway Equipment Note	\$6,500.00

9. To see what disposition the Town will vote to make of the income of the Jotham Lord Fund.

- 10 To see if the Town will vote to raise and appropriate the sum of \$400.00 for support of the Athletic Association.

11. To see if the Town will 1) authorize the Selectmen to enter into a contract with the New Hampshire Department of Resources and Economic Development for the acquisition and development of a public outdoor recreation area, in East Westmoreland, the monies for said project to be made available on a cost sharing basis from the Land and Water Conservation Fund Act of 1965 administered by the Bureau of Outdoor Recreation; and 2) to accept, if offered, a donation from Keene Sand and Gravel Company of 2.15+ acres of open land in East Westmoreland off Mount Gilboa Road for the purpose of developing a public recreational area; and 3) to accept various donations of cash or materials to be used to defray the construction costs of the recreational

area; and 4) to authorize the Selectmen to borrow if need be a sum of money not to exceed \$5,000.00 to pay expenses incurred under the contract with DRED prior to reimbursement.

12. To see if the Town will vote to appropriate \$5,000.00 to be used to develop a recreation area in cooperation with the School District and authorize the withdrawal of the \$5,000.00 required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

*13 To see if the Town will vote to raise and appropriate a sum of money not to exceed \$1,000.00 to remodel and modernize the toilet facilities in the Town Hall, according to plan proposed by the Mens Club.

*14 To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to implement the plans of the Bicentennial Commission for the celebration of America's birthday.

*15. To see if the Town will vote to raise and appropriate the sum of \$3,848.00 to provide a Visiting Nurse Service for the residents of Westmoreland in cooperation with the Chesterfield Home Health Agency.

16. To see if the Town will permit the Westmoreland Athletic Association, Inc. to play basketball in the Town Hall, in accordance with rules and regulations mutually agreed upon by the Association and the Selectmen of the year 1972 until the next annual meeting.

17. To see if the Town will vote to accept the Budget, as submitted by the Budget Committee under the authority of the Municipal Budget Act.

18. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

19. To see if the Town agrees to participate in the National Flood Insurance Program by directing the Board of Selectmen to complete the eligibility application and submit the required information to the Federal Insurance Administration.

20. WHEREAS, certain areas of (COMMUNITY) are subject to periodic flooding from (STREAMS, RIVERS, LAKES, OCEANS, ETC.) causing serious damages to properties within these areas; and

WHEREAS, relief is available in the form of Federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of this Town Meeting to require the recognition and evaluation of flood hazards in all official actions relating to land use in the flood plain areas having special flood hazards; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to New Hampshire RSA Chapter 31, 36, 156, and 156A.

NOW, THEREFORE, BE IT RESOLVED, That this Town Meeting hereby:

1. Assures the Federal Insurance Administration that it intends to exact and maintain in force for those areas having defined flood hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in Section 1910 of the National Flood Insurance Program Regulations; and

2. Vests (the Planning Board or Town Manager or other duly authorized Municipal Officer) with the responsibility, authority, and means to:

(a) Delineate or assist the Administrator, at his request, in delineating the limits of the areas having special flood hazards on available local maps of sufficient scale to identify the location of building sites.

(b) Provide such information as the Administrator may request concerning present uses and occupancy of the floodplain.

(c) Cooperate with Federal, state, and local agencies and private firms which undertake to study, survey, map, and identify floodplain areas, and cooperate with neighboring communities with respect to management of adjoining floodplains in order to prevent aggravation of existing hazards.

(d) Submit on the anniversary date of the community's initial eligibility an annual report to the administrator on the progress made during the past year within the community in the development and implementation of floodplain management measures.

3. Appoints the Building Permit Officer (Board of Selectmen or Building Inspector) to maintain for public inspection and to furnish upon request a record of elevations (in relation to mean sea level) of the lowest floor (including basement) of all new or substantially improved structures located in the special flood hazard areas. If the lowest floor is below grade on one or more sides, the elevation of the floor immediately above must also be recorded.

4. Intends to take such other official action within its powers as may be reasonably necessary to carry out the objectives of the program.

21. To see if the Town will vote to establish the following building regulation pursuant to RSA 156 as follows:

1. The Building Permit Officer (Board of Selectmen or Building Inspector) shall review all building permit applications for new construction or substantial improvements to determine whether proposed building sites will be reasonably safe from flooding. If a proposed building site is in a location that has a flood hazard, any proposed new construction or substantial improvement (including prefabricated and mobile homes) must (i) be designed (or modified) and anchored to prevent floatation, collapse, or lateral movement of the structure, (ii) use construction materials and utility equipment that are resistant to flood damage, and (iii) use construction methods and practices that will minimize flood damage.

22. To see if the Town will vote to raise and appropriate the sum of \$2,000 for the purchase of a highway sander.

23. To see what action the Town wishes to take in regard to a subsidy request from Foley-DiLuzio Ambulance Service of Keene.

24. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this 7th day of February in the year of our Lord nineteen hundred and seventy-six.

Lois Leach	367 ¹
------------	------------------

For Overseer of the Poor

Robert W. Moore, Jr.¹

¹Declared elected by the Moderator at the end of the count.

TOWN MEETING

March 5, 1975

The meeting was called to order at 7:00 PM and the articles of the Warrant considered one by one after the following announcements:

The Town of Westmoreland has been certified by the Federal American Revolution Bicentennial Administration, thru the New Hampshire Bicentennial Commission, as a Bicentennial Community. A framed Certificate and an official Bicentennial Flag were presented by Mrs. Bernard Streeter, Sr. and Mr. D. R. Proper, representing the New Hampshire Commission.

The proposed location of voting booths downstairs, with a recess in the voting during the business is not in accord with the election laws, and could not be carried out.

The Monadnock Lions Club has donated a stretcher and blanket for the use of the Town in an emergency.

Article 1, Cont.

Richard D. Rhodes requested a recount of ballots for the office of Constable, and Linn Starkey, Jr. requested a recount of ballots for Budget Committee. This recount was carried out on March 15, 1975 with the following results:

For Constable

Edward T. Ferguson	192
Richard D. Rhodes	189
Write-ins	3
Blanks	5

For Budget Committee

Arthur R. Herrick, Jr.	184
Linn Starkey, Jr.	184
Write-in	1
Blanks	20

The Clerk resolved the tie vote for Budget Committee by lot. The election of Edward T. Ferguson to the office of Constable, and Linn Starkey, Jr. the winner of the contest for Budget Committee was certified by the Board of Recount.

The newly elected officers were sworn in by the Clerk.

Article 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriations of the same.

Voted to take up with Article 20, Budget.

Article 3. To hear the reports of Agents and Auditors and take any action relating thereto.

Voted to accept reports as printed in Town Report.

Article 4. To see if the Town will vote for Class IV or Class V roads construction, reconstruction, or betterment aid, and raise and appropriate the sum of \$833.99, the State contributing \$5,559.96.

Voted in the affirmative.

Article 5. To see what sum of money the Town will vote to raise and appropriate in addition to what is required by law for highways and bridges.

Voted to take up with Article 20, Budget.

Article 6. To see if the Town will vote for snow removal and sanding of either Class IV or Class V roads, or take any other action relating thereto.

Voted in the affirmative.

Article 7. To see if the Town will vote to authorize the Selectmen to borrow funds not to exceed the sum of \$7000.00 if necessary for publication of the Town History at the recommendation of the Westmoreland History Committee.

Moved and carried to amend the wording of this article to read as follows:

"that the Town authorize the Selectmen to enter into a contract to have the Westmoreland Town History published at the recommendation of the Westmoreland History Committee. If the present Town History Fund and receipts from advance sales do not cover the cost, an article will be submitted at the next annual meeting for the balance needed."

The amended article was voted in the affirmative.

Article 8. To see if the Town will vote to appropriate the sum not to exceed \$20,000.00 for the purchase of a wheel loader with ap-

proximately a 2 yard bucket for use of the Highway Dept., and Town Dump, and to raise \$12,500.00 and authorize the Selectmen to issue bonds or notes for the balance, to be paid at the rate of \$2000.00 per year.

Voted in the affirmative.

Article 9. To see if the Town will authorize the Selectmen to see what steps are necessary to obtain the approval of the State of New Hampshire to convert our present Dump site to a sanitary landfill, and raise \$2000.00 for Dump requirements.

Voted in the affirmative.

Article 10. To see if the Town will vote to raise and appropriate the sum of \$845.00 as its fair share of operating costs of Cheshire Hospital.

Voted in the affirmative.

Article 11. To see if the Town will vote to raise and appropriate the sum of \$510.00 - 50 cents per capita - for Monadnock Family and Mental Service.

Voted in the affirmative.

Article 12. To see if the Town will vote to raise and appropriate the sum of \$435.00 for support of the Monadnock Regional Association.

Voted in the affirmative.

Article 13. To see if the Town will vote to raise and appropriate the sum of \$200.00 for use of the Westmoreland American Bicentennial Commission in the planning and promotion of the Westmoreland Bicentennial Celebration.

Voted in the affirmative.

Article 14. To see if the Town will authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act for use as a set-off against the following debt service incurred for "Priority Expenditures" since January 1, 1972:

PURPOSE	AMOUNT
1973 Highway Equipment Note	\$6,500.00

Voted in the affirmative.

Article 15. To see what disposition the Town will vote to make of the income of the Jotham Lord Fund.

Voted for the use of the Library.

Article 16. To see if the Town will vote to appropriate the sum not to exceed \$12,000.00 for a Tax Map of the Town of Westmoreland and authorize the withdrawal of \$3,500.00 for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, with the balance to be raised by the issue of bonds or notes.

Voted in the affirmative.

Article 17. To see if the Town will vote to transfer \$16,000.00 of the Surplus to reduce 1975 Taxes.

Voted in the affirmative.

Article 18. To see if the Town will vote to have all dogs restrained from running at large at all times in the Town of Westmoreland or take any other action relating thereto.

Moved and carried that the article be amended to add the words "under the owners' control." immediately after the word "restrained".

The amended article was voted in the affirmative.

Article 19. To see if the Town will permit the Westmoreland Athletic Association, Inc. to play basket ball in the Town Hall, in accordance with rules and regulations mutually agreed upon by the Association and the Selectmen of the year 1972, until the next annual meeting.

Voted in the affirmative.

Article 20. To see if the Town will vote to accept Budget, as submitted by the Budget Committee under the authority of the Municipal Budget Act.

Moved and seconded to raise and appropriate the sum of \$122,938.99 for items listed in the Budget.

Moved to amend this figure by adding \$3070.00 to make total read 126,008.99, in order to include participation with Chesterfield in a District Nursing program. After discussion, the motion to amend was withdrawn.

Moved to amend the Budget figure by adding the sum of \$1200.00 making the total Budget read \$124,138.99, this sum to cover purchase of some District Nursing time. Amendment defeated by show of hands, 41 to 35.

Total Budget of \$122,938.99 voted in the affirmative.

Article 21. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Voted in the affirmative.

Article 22. Other Business brought before the meeting.

A. Moved that the Town go on record as favoring the establishment of a pulp mill in the Western part of New Hampshire. Voted in the negative.

B. Moved that the Selectmen insert an article in the Warrant for the next annual meeting to see if the Town wishes to institute the procedures for absentee voting in Town elections.

Voted in the affirmative.

C. Moved that the Committee for the study of the Visiting Nurse project continue in its activity.

Voted in the affirmative.

Polls were declared closed at 9:56 PM. Voted to adjourn at 9:58 PM.

ZONING BOARD OF ADJUSTMENT — 1975

The Zoning Board of Adjustment holds regular meetings on the first Monday of each month at 7:30 p.m.

As in other years, the Board arranged other meetings and public hearings as needed during 1975.

The Board also met on several occasions with the Planning Board for discussion of general zoning and planning needs of the town.

The Zoning Board granted eleven variances or special exceptions to the zoning regulations during the year, and no action was taken on one request.

Thomas Thompson resigned from the Board in 1975 after many years of service, and Marcius Butterfield was appointed in his place. Due to Marty's move from town, there is now a temporary vacancy on the board for which the Selectmen will soon make an appointment.

Douglas Wilkes, Chairman
David Bailey, Clerk
Paul Hatt

1975 PLANNING BOARD REPORT

The Planning Board meetings are on the first and third Mondays of each month and are open to the public. Interested residents are encouraged to participate in these meetings.

Nine subdivisions were processed during the year which created a total of 19 separate tracts and building lots. Several proposed subdivisions were considered but not processed because of less than complete compliance with our regulations.

The subdivisions submitted this past year have each been for a small number of lots contrasting with the multiple lot applications received during the first two years after our subdivision regulations were enacted.

Respectfully submitted:
Richard G. Delano, Ch'm.
Roy Sunter, Sec'y.
David G. Clapp
Michael Henchey
George E. Putnam
Forrest A. Robinson
James H. Ashworth

ANNUAL REPORT OF THE WESTMORELAND PUBLIC LIBRARY FOR 1975

The past year has been one of progress both in service to the public and in improvements to the library building.

Circulation and Services

Statistics for the year show an increase in the use of the library both by adults and children. Requests for books and materials which the library does not own were obtained from the New Hampshire State Library or through interlibrary loan from libraries in surrounding communities. The Bookmobile visits have enabled us to offer our readers a wide choice of books on many subjects. Our reference collection has been up-dated with the purchase of the latest editions of the **World Book Encyclopedia** — **World Almanac** and the **Guinness Book of Records**.

Gifts and Memorials

Book Memorials have been received from family and friends and from The Coffee Hour With Books in memory of those who passed away during the past year. The Green Fund provided money to purchase recordings for adult and children's record collections. Books and magazines were donated by several Westmoreland residents. A subscription to the country Journal was a gift from the Coffee Hour with Books.

Library Programs

Bi-Weekly visits during the school year were held for the Kindergarten class. The library was host to the book discussion group for their August and December meetings.

Building and Grounds

Perhaps the high point in our year was the installation of water and a telephone which made it possible to meet the minimum requirements set by the State Library Development Program. With these improvements we hope to qualify for recognition by the Commission.

Staff and Trustees

In July Barbara Messer resigned as librarian to join the staff of the school lunch program. We were sorry to lose her. As of August 1st Patricia Leinste was appointed to fill the vacancy. Mrs. Leinster is now enrolled in library courses offered by the New Hampshire State Library.

In March Mrs. Oscar Ekberg was elected to the Board of Trustees, She is presently serving as treasurer of the Board.

VISITING NURSE STUDY

It was voted at last year's town meeting to continue the activities of the visiting nurse study committee for another year. The members of this committee, James Spangenberg, A. Richard Chase, Annie Herrick, Eleanor Adams, Evelyn Shelley, Lucille Yeaton and Winifred Cox agreed to serve for another year.

After last year's survey of 35 Westmoreland families, it was agreed that we should conduct a more comprehensive study this year and call 90 more families and try and verify the need for a visiting nurse. The 90 families, representing approximately 33 1/3 % of the population of our town, has a total of 317 family members. The distribution of the family members by age is as follows: 21 age 0—5, 90 age 6—18, 133 age 19—59 and 73 age 60+.

This survey revealed the following; 38% could have used some kind of medication administration, 17% would have been assisted with medical treatment, 4% needed personal care, 7% would like to have had some medical education and demonstration, 17% would have benefited materially through a Homemaker Aid Service, 7% would have liked medical social services, 11% nutrition education, 34% would have liked health screening (checking for problems with vision, hearing & blood pressure), 8% general health information and 14% would have liked assistance with immunizations. Strangely enough, in the group contacted, there would have been no request for pre-natal or new-born care. We were pleased that 80 of the 90 contacts were agreeable to helping establish a visiting nurse program.

The Chesterfield Home Health Agency has been formed and has had a visiting nurse in the field since October 1975. She is finding a great need for the service and has since added a physical therapist on a part time basis. They have been licensed under Medicare so that reimbursement is available. Some of our committee has met with a representation of theirs and they are most receptive to working with us. They are willing to work with us on a per capita basis, Chesterfield being twice the size of Westmoreland, would indicate that they would carry 2/3 of the expenses to 1/3 on our part.

In order to get started, we are asking the town to appropriate the sum of \$3,848.00. A visiting nurse program is one of the functions that can be partially funded by the Federal Revenue Sharing Funds. One third of the request or \$1,282.00 could come from this fund. We anticipate that the "start up" request would be the highest and future years would be lesser amounts.

Westmoreland is presently the only town in the area without visiting nurse coverage and we hope the town will recognize the urgent need for this service.

Respectfully,
A. Richard Chase
Chairman

REPORT OF WESTMORELAND HISTORY COMMITTEE

At long last, the end is in sight! All material for the History of Westmoreland and Genealogy of Its Residents is in the hands of the publisher. The history Committee is now receiving galley proofs for correction.

It is our desire to have the book ready for sale at the time of Westmoreland's Bicentennial celebration in June; however, because of the extensive genealogical material and the nature of it, this may not be a realistic date. It may well be mid-August before we have the finished book in hand, although the Committee and the publisher are certainly working closely together to make the June date if at all possible.

The history promises to be quite lengthy, probably between six and seven hundred pages, with a fair number of pictures, and some excellent maps representing different periods of growth of the town. It seems probable that the sale price of the book will be about twenty dollars.

A brochure containing an order form will be sent to all town residents, as well as to many other persons interested in Westmoreland history, two months or so before publication. There will be some reduction made in the price for pre-publication orders.

It is the hope of the Committee that this will be the last annual report to you concerning the History and Genealogy; therefore, we would like to say at this time that during the past year we have received immeasurable help from several people: Guy MacMillin, whose editing work and advice gave us a big lift at a time when we were frantically trying to find an editor—Jerry Hall, Barbara Messer and Marcia Starkey, all of whom worked diligently on the final and tedious typing of the genealogical material—and, again Marcia Starkey, who typed and retyped the entire history for presentation to the publisher.

The past year has been one of innumerable frustrations and excitements for your History Committee. We will make our very best effort to get your History to you during this Bicentennial summer of 1976.

Laura G. Bailey,
Secretary

ANNUAL REPORT

AMERICAN REVOLUTION BICENTENNIAL COMMISSION

It's America's Birthday! And you're invited to the party.! Your fellow townspeople, under the Chairmanship of Tal Hood, have been planning the celebration for more than two years. You may have already contributed to the hundreds of hours of work that have gone into the planning, and will certainly be called on for participation as the dates draw near.

You see, the WARBC from its beginning has been made up of representatives from every church, civic, and fraternal organization in town. That's about as completely representative as can be.

One year ago Westmoreland earned the esignation as an Official Bicentennial Community, and the right to fly the Bicentennial Flag and use the American Bicentennial Emblem. Shortly afterwards a local contest produced the Town's own Emblem, featured on the cover of this Town Report. Official recognition makes available up to \$1,000 in Federal Matching Funds, to be used with other local non-tax funds, and the WARBC has applied for these to be shared by the Public Library for a collection of books on the lives of our Founding Fathers, and by the Elementary School for audio-visual materials designed to better teach our rich heritage.

Friday evening, June 18th; Saturday, June 19th; and Sunday, June 20th have been selected as dates for our observance. These dates were chosen so you can participate in this celebration, and then you will be free to visit another city or town on July 4th, to enjoy theirs. It all starts Friday evening with appropriate opening ceremonies at South Village Common. Following, Pairs & Spares will offer a supper in the Town Hall featuring a menu that might have been served 200 years ago. At 8:30 in South Village, the Elementary School children will present a pageant depicting events of the American Revolution.

Saturday's activities start at 10:00 with a parade organized by the Men's Club, Beginning at the County Farm road, proceeding along Route 63 to South Village, and disbanding at the Recreation Field. The PTA will be operating refreshment stands on Saturday. Local and area artisans and craftsmen will be demonstrating skills such as weaving, spinning, candlemaking, blacksmithing, and leatherworking, all in the South Village area. An authentically costumed Town Crier will announce events and notices. At 2:00 there will be a Muster Competition at the Recreation Field, featuring militia units uniformed and equipped as were those of several of the original 13 colonies. A flag pageant and Color Guard will be presented by the U. S. Marine Corps detachment from Newport, R. I.

The Volunteer Fire Department's famous Chicken Barbeque will be served at 6:00 and you'll dine to a concert by the Town Band. At dusk, the traditional fireworks display, bigger and better than ever, will be presented by the Firemen. Later there will be Dancing On The Green, at South Village, to music of an orchestra playing to all ages and interests.

Sunday's activities begin, appropriately, with an authentic Colonial Church Service at our historic Park Hill Meeting House. At noon, the Park Hill Society will make available a Box Lunch Social, and a musical concert will follow in the afternoon. At 4:00 the Ladies Aid Society will serve a Colonial Tea. The priceless original pewter Communion Service will be on public display at the Park Hill Meeting House on both Saturday and Sunday.

An Official Souvenir Program Booklet will be made available, giving highlights of Westmoreland history. The Connecticut River Sportsmen's Club will be creating a map to be included in the booklet which will pinpoint the location of historically significant homes and sites pre-dating 1800. This map and listing will serve as an aid for self-guided tours of these locations, which will be individually and visually identified under a project undertaken by the Great Meadow Grange.

The WARBC has labored to plan an observance that is suitable for the occasion and utilizes local thought, talent, and participation to the largest possible degree. The end result is for the pleasure and edification of the entire Town and all the Town's friends. Be sure to mark **your** calendar!

Rodman R. Tatnall
Secretary

George W. Aldrich
Treasurer
Trustee of Trust Funds

A new trust fund has been established to be known as the "Lois Leach Graduates Fund". At the present time the amount is 440.20 with interest and additions to be made until the amount of 1,000.00 is attained. The income then to be paid for expenses of an annual banquet honoring high school and eighth grade graduates. If at some future date a banquet is no longer feasible, income then to be used for scholarship awards to be administered by the trustees of trust funds.

This is to certify that the information contained in this report is complete and correct to the best of our knowledge and belief.

George W. Aldrich
Sidney Clark
Lois G. Leach
Trustees of Trust Funds

THE STATE OF NEW HAMPSHIRE SCHOOL WARRANT

To the inhabitants of the School District in the Town of Westmoreland qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District on the 5th of March 1976, at 7:30 o'clock in the evening to act upon the following articles. The polls will be open 2:00 p.m. to 9:00 p.m.

Article 1. To choose all necessary school district officers:

A moderator for the ensuing year.

A clerk for the ensuing year.

A member of the school board for the ensuing three years.

A treasurer from July 1, 1976, for the ensuing year.

Two auditors for the ensuing year.

Article 2. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.

Article 3. To see if the District will vote to authorize the school board to make application for, and to accept and use in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United State Government, the State of New Hampshire, or any department or agency thereof, or any federal, state, or private agency.

Article 4. To see if the District will vote to authorize the school board to enter into an agreement with the selectmen of the Town of Westmoreland relative to joint use of the Westmoreland elementary school playground.

Article 5. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of the statutory obligations of the District.

Article 6. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.

Article 7. To transact any other business which may legally come before this meeting.

Given under our hands at said Westmoreland this 10th day of February, 1976.

Carol H. Austin
Sally A. Belluscio
Donald E. Hall
School Board

SCHOOL MEETING

Agreeable to the foregoing warrant, the legal voters having met at the time and place mentioned in the warrant, the meeting was called to order by the moderator, Marcius Butterfield, at 6:00 P.M. The polls were declared open for voting under Article 1. At 7:35 P.M. the business meeting was declared open for business by the moderator.

The moderator stated he would follow the rules set up at Town Meeting -- The person should stand, address the chair and get permission to speak.

Each person wishing to, should be given a chance to speak.

A positive motion should be on the floor before discussion.

If you disagree with the stand, disagree with the stand but not get into personalities.

The warrant was then read by the moderator. After which the moderator introduced the Assistant Superintendent, Richard L. Champagne and Steven P. Groves, School Principal, and stated that unless there was an objection, they be given a chance to speak on any subject.

Article 2. Donald Hall moved that the reports of agents, auditors, committees or officers chosen found in the Annual School District Report be accepted and placed on file. Motion was seconded. Vote declared by the Moderator to be carried in the affirmative.

Article 3. Tal Hood moved that the District vote to authorize the school board to make application for, and to accept and use in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any federal, state, or private agency. Motion was seconded. Vote declared by the Moderator to be in the affirmative.

Article 4. It was moved that the District vote to raise and appropriate the sum of \$1,000.00 for the development of school sites adjacent to the Westmoreland Elementary School; and to authorize the school board to take the necessary action to effectuate the purpose of this article. Motion seconded. A discussion followed. A voice vote was taken and the Moderator declared the vote to be in the affirmative.

Article 5. Donald Hall moved that the District raise and appropriate the sum of \$282,512. for the support of schools, for the salaries of school district officers and agents, and for the payment of the statutory obligations of the District. Motion seconded.

Carl Messer made the amendment that the sum of \$278,820. be raised and appropriated for the support of schools, for the salaries of school district officers and agents, and for the payment of the statutory obligations of the District. Motion seconded. The amendment was the amount recommended by the Budget Committee.

81 votes cast.

	yes - 31	no - 50
--	----------	---------

Article 6. Roger Adams read the following proposal, that in order to develop the parcel of land owned by the Westmoreland School District, to better meet the athletic and recreational needs of the school and community, we the School Board, suggest that the committee be appointed by the Moderator, consisting of

As soon as a map can be established with elevations of the above parcel, and recommendations as to drainage has been made by Kenneth French of the Soil Conservation Service, the committee would evaluate the situation and recommend to the School Board the steps to take during the ensuing year, using only as much of the earmarked money as needed.

Roger Adams made the motion that a committee be appointed by the moderator to look into this proposal. Motion seconded. By a voice vote, the Moderator declared the vote in the affirmative.

Sally Belluscio made the motion that the District recognize with deep appreciation Roger Adams, for his 5 years of faithful service to the Westmoreland School District. Motion seconded. The Moderator declared the vote in the affirmative.

David Adams made the motion that the District vote to hold the annual school meeting at 6:30 P.M. just prior to Town Meeting, Motion seconded. A discussion followed with several proposals made. By a voice vote the no votes were in the majority. The Moderator declared the vote lost.

Tal Hood made the motion that the polls be open at 2 P.M. the day of the annual school meeting and remain open through the school meeting. Motion seconded. By a voice vote the Moderator declared the vote in the affirmative. The business meeting was adjourned at 9:20 P.M. The polls were declared closed at 9:30 P.M. and the meeting adjourned.

A count of the ballots resulted as follows:

Number of votes cast 163.

For Moderator for the ensuing year - **Marcus R. Butterfield** received 152 votes and was declared elected.

For Clerk for the ensuing year - **Dorothy R. Rhodes** received 155 votes and was declared elected.

For member of the School Board for the ensuing three years - **Donald E. Hall** received 143 votes and was declared elected.

For member of the School Board for the ensuing year - **Carol H. Austin** received 99 votes and was declared elected.

For treasurer for the ensuing year - **Marjorie A Hudson** received 157 votes and was declared elected.

For auditors for the ensuing year - **Robert M. Cox** received 15 votes and was declared elected. **Griffith E. Royea** received 15 votes and was declared elected.

The oath of office was given to the elected officials, by the moderator and the clerk.

A true record of the meeting - attest:

Dorothy R. Rhodes
Clerk of School District

ADMINISTRATIVE REPORT

Westmoreland had an excellent school opening under the leadership of our new principal, Mr. John Moody, who replaces Mr. Groves who took a similar position in Claremont. Mr. Moody is well known in the area and has earned his master's degree from Keene State College in 1974. He brings to Westmoreland four years of educational experience.

The Westmoreland School Board approved the participation in the Right to Read Program. This program will be considered seriously and will be implemented following the board's approval in 1976-1977. The purpose of the Right to Read Program will be to insure complete competency and mastery of reading in each of the grade areas.

The board has established a number of goals and are meeting these goals in a meaningful, planned and organized manner. Board members are dedicated, sincere and are providing the leadership necessary to improve education in Westmoreland.

During August Mr. Moody participated in the Leadership Workshop and has developed a list of goals to improve the educational environment and programs of Westmoreland. These goals were presented and discussed with the Westmoreland School Board.

Supervisory Union 29 employed a new member of the administrative team, Mr. Ralph E. Caye, Jr., our new business manager. Mr. Caye replaces the late Mr. Cass who was deeply loved and respected. Mr. Caye brings to the supervisory union a background of experience and he looks forward to working closely with the communities of our union.

Mr. Larracey, our Assistant Superintendent for Administrative and Special Services, with the Staff Development Committee have finalized a staff development plan. We are currently utilizing computerized personnel data forms. Many opportunities for in-service training directly related to staff development are available and have been taken by members of the staff.

The school districts of Supervisory Union 29 in conjunction with the Monadnock Children's Services Center have developed procedures to comply with the regulations of P. L. 93-380 (State Plan for the Education of Handicapped Children under Part B of the Education of the Handicapped Act) which became effective July 1, 1975. Each school in Supervisory Union 29 has established evaluation/placement teams to deal with requests from parents for placement or changes in placement or changes in placement of their handicapped child. The procedures ensure that the school districts will comply with 1) due

process guarantees, 2) placement of handicapped children in the least restrictive alternative, and 3) non-discriminatory testing and placement procedures.

Title IX of the educational amendments of 1972 prevent discrimination on the basis of sex in the operation of most federally supported educational programs. This regulation became effective September 1, 1975. The impact of this regulation prevents discrimination on the basis of sex in the operation of any interscholastic sport or program offered by any educational institution. This law will have a definite impact on our school budget.

CHESHIRE VOCATIONAL CENTER

The course of study has been completed and counselors are encouraged by the enthusiasm of the students. They are currently meeting with students on an individual basis concerning course selections. Upon invitation, the Vocational Director and the counselor would welcome an opportunity to make presentations concerning any aspect of the new Cheshire Vocational Center to citizens in the communities of the participants.

The administration would like to express its deep appreciation to the many committees involved in the planning of our new vocational facility; to the staff at Keene High School, and other local educational institutions, to the construction workers and to the public at large for their tremendous support of this project.

"Individualized instruction" and "simulation" are the key words for the expanded opportunities in the Business and Office Education Department. One of the most innovative programs to be offered will be Radio-TV Broadcasting, a first in any high school in New England. Students in this program will have an opportunity to learn and work in a complete simulated radio and television station — WKHS. As part of the data processing portion there will be opportunity for key punching, programming, and other data processing skills in connection with the computer program. The office occupations cluster (secretarial, clerical and accounting) will offer exploratory simulations in legal, medical and educational secretarial skills, another first for our area. There will also be a word processing unit and a new offering in reprographics where students in the clerical program will learn many means of duplicating materials and will have opportunity to assess for themselves which process they will use for a given job, including a cost analysis to justify their choice. Accounting skills will be enhanced by the use of individual simulations and up-to-date office equipment such as electronic

calculators and bookkeeping machines. Distributive Education classes will be expanding their program by operating a full size, college type book store and a mini mall which will house three individual shops.

The Technology Department of the Cheshire Vocational Center includes thirteen course offerings such as masonry, sheet metal, diesel and hydraulic mechanics. The expansion of the Technology Department is best illustrated by the growth of the Building Trades program. Four years ago one teacher worked in a converted storage closet of 746 square feet. In the Cheshire Vocational Center teachers will have an area of 10,000 square feet servin the students of Cheshire County in the Building Trades program. Vocational Technology education provides training which develops skill, ability, understanding, appreciation, attitudes, working habits, and imparts knowledge and information needed by workers to enter and progress in employment on a useful and productive basis. Grades nine and ten offer exposure through the regular high school Industrial Arts program. Vocational Technology courses offer "performance," using basic skills required for job entry. A student may choose to participate in the co-op program—on the job training for those who do not seek to increase knowledge and skills via post-secondary (2 or 4 year programs) education. Offerings in the Technology Department will be approximately 600 instructional hours over a two-year period. The additional 20,000 square feet enables us to offer these additional instructional hours.

The Home Economics Department is planning three new courses and will be expanding the Food Service Program, including the addition of a small dining room for catering experience on special occasions. New programs are Health Occupations, Child Care Services and Careers in Textiles. The health occupations area includes a three-bed hospital ward, a mini testing lab, a small kitchen, classroom and storage areas. Students will receive a general background in basic patient care and in community health problems. Clinical and community experience will be a part of the learning program. The health occupations program will train students to meet job entry qualifications for such positions as orderly, nurse's aide and lab aide. The child care program, provided for those interested in working with children, combines study with observation and hands-on experience in the Day Care Nursery which adjoins the classroom. Working with children in the nursery will help students understand behavioral patterns of children, food and eating habits, learning through play and guidance and discipline. Careers in textiles covers the basics of working with textiles as used for clothing

or in home decorating. Students will be exposed to dressmaking, garment alterations, tailoring, slipcovers, draperies, upholstery, chair seating and commercial sewing.

In addition to preparing students for direct entry into many jobs, vocational courses are also the basis for further post-secondary education if a student so desires.

PRINCIPAL'S REPORT 1975-76

The 1975-76 school year began on Wednesday, September 3, 1975 with an enrollment of 150 pupils.

In addition to several new students we have three new staff members, Mrs. Karen Durling, grade one; Mrs. Joan Murray, grade three; and myself in grades 5-8 Math and principal.

As your new principal I am happy to report that the excitement and enjoyment of the job has not worn off. It has been a very busy and interesting half-year thus far. I look forward to the second half-year with equal excitement.

Your teaching staff has been involved in an intensive study of their needs and ways in which these needs can best be met to insure a quality education program for your children. With the cooperation of several members of the supervisory union staff, we have made significant progress toward our goals of developing a staff handbook, a parent/student handbook and study of all curriculum areas.

Academically we have received our new Social Studies texts and are presently using them in grades 5-8. In addition, we have looked at all of our present programs and are moving toward revisions, as they become necessary, in order to keep pace with current education trends.

The Title I funded Resource Room has been a very active and important part of our daily program. It provides an atmosphere of individualized one-to-one instruction, which is used to assist children with either a specific educational handicap or a need for assistance in an academic area. We hope that as the need for this service grows we will be able to meet the demand by purchasing additional materials and perhaps extending the contract of the Resource Person to a full-time position.

In conclusion, I would like to take this opportunity to thank the entire staff of the Westmoreland School, the Westmoreland School Board, Supervisory Union 29 personnel, local parents and especially the students of Westmoreland School for making my transition a very enjoyable and rewarding experience.

Respectfully submitted,
John H. Moody
Principal

WESTMORELAND SCHOOL STAFF 1975-76

John H. Moody, Principal	Mathematics, Grades 5-8 Reading, Grade 8
Virginia Hall	Language, Grades 5-8 Reading, Grade 7
Robert Mitchell	Science, Grades 5-8 Reading, Grade 6

Joanne Hall	Kitchen Staff
Barbara Messer	Kitchen Staff
Richard Delano	Bus Driver
Lois Delano	Bus Driver
Abbot Royea	Custodian

Report to the Town of Westmoreland by the Committee appointed by the Moderator of the School District to study the development of the Recreational Area adjacent to the Elementary School.

Committee Members: Donald Hall, Sally Belluscio, Carol Austin, Stephen Holmes, George Scott, Robert Moore, Jr. Richard Delano and John Moody.

The task of our Committee was to develop plans for the development of recreational areas on the Westmoreland Elementary School site and present these plans with a cost estimate for action by the School District. A sum of \$1800 has been appropriated to fund our study.

Early in 1975, the Selectmen learned of the interest by the Keene Sand and Gravel Company, Robert A. Whitcomb, President, to donate a 2.15 acre parcel of land in East Westmoreland off Mount Gilboa Road to the Town. This donation was consistent with the wishes of Mrs. Verna Woodward who had originally sold a larger parcel of land to Keene Sand and Gravel Company. It was decided that our committee which represents a broad range of community organizations interested in recreation would be a logical group to study both proposals.

In the course of our work, we became aware of the availability of Federal matching monies for outdoor recreational areas and have carefully looked into how these monies will effect the quality of the facility, the project timing and the limitations imposed on the Town and School District. Since the project involves the donation of land assessed at \$5600, the opportunity to develop a recreational facility at little or no cost to the community became immediately apparent.

The East Westmoreland site proved to be relatively easy to develop. It was decided to build as principle facilities, a soft ball/Little League field (considerably more land would be necessary for a regulation baseball (hardball) field), a basketball court, a play area with rugged, natural climbing equipment and off street parking for 10 cars. We also debated the erection of two tennis courts but due to the extreme cost, the small size of the land available and no clear expression of interest in the Town for courts, this idea was abandoned for the time being. Based on preliminary estimates which assumes the use of Town equipment, volunteer labor in creating bleachers, backstop, grass cutting and planting and other volunteer help as needed, we are of the opinion that a contract can be negotiated to result in no outlay of tax dollars on the Town's part for this project. We would propose to the Town Meeting that the Selectmen be empowered to enter into a contract with the New Hampshire Department of Resources and Economic Development to develop this area with funds made available as a result of the Land and Water Conservation Fund Act of 1965, administered by the Bureau of Outdoor Recreation (Dept. of Interior). Due to the delays in reimbursement inherent in the contract it will be necessary for the Town to make available up to \$5000 prior to reimbursement but we would expect that this project would be completed in one fiscal year and result in no direct cost to the Town.

The Westmoreland Elementary School site presented a more complex design challenge which was not easy to resolve and resulted in a compromise. It is immediately apparent to anyone who walks the site that it is wet and composed of uneven terrain. The subsurface which is composed of poor soil with areas of ledge adds to the design difficulties. We were fortunate that the design engineering services of Tom Chrisenton of the U. S. Soil Conservation Service (Dept of Agriculture) were available to us. Numerous design alternatives and test digs were accomplished prior to the finished design. A major area of comprise lay in the amount of surface water drainage provided for in the final plan. It was decided to depart from an extensive title and catch basin network costing \$20,000 to \$25,000 alone to a much simpler catch basin and tile system used in combination with French drains and open swale ditches. We also realize that under certain times of heavy rain fall the fields would develop wet spots. Whether these need to be corrected or can be lived with will be left for future action.

The Committee recommends the Town appropriate for the Elementary School site, \$5000 which would be added to the unexpended \$1400 previously appropriated. This money will be used to defray the cost of the drainage systems and the rental of a large earth moving equipment needed to efficiently accomplish this large task. Volunteer operators and Town equipment will be employed in this construction phase. Federal Revenue Sharing funds could be used to defray the \$5000 needed for this project.

The Committee decided against involvement with BOR/DRED funds in the development of the Elementary School site due to the fact that their use would limit future use of this land.

The East Westmoreland site will be undertaken in the Spring of 1976 and should be ready for use in the Fall (softball/Little League in the Spring of 1977). The Elementary School site will be likewise constructed in the Summer of 1976.

It is recommended that the Committee remain active and manage the development of both sites through to completion.

REPORT OF THE SCHOOL NURSE

The following is my report for the year ending June 30, 1975.

Work of the School Nurse:

- 189 pupils received vision screening tests
- 13 pupils received vision notices for defects
- 189 pupils received hearing tests
- 180 pupils were weighed and measured
- 180 pupils received health inspections
- 16 pupils appeared to be in need of dental care
- 46 pupils participated in urine testing program
- 54 pupils had blood pressures taken
- 30 pupils received first aid from school nurse
- 42 pupils received physical examinations
- 66 pupils and personnel participated in the
Sterneedle tuberculosis testing program
- 16 pupils participated in the prophylactic dental program
(pupils in 4th grade only)
- 19 pre-school and kindergarten pupils received tetanus, rubella,
rubeola and polio immunizations.
- 12 pre-school children received physicals

The school nurse continues to serve this community as their yearly needs present themselves. With continued cooperation from the school personnel and parents, we are able to discover health problems and correct them. The building of healthful attitudes is ever present and the prevention of health problems continues to be one of our aims.

I wish to thank all who helped to make this school health year a successful one.

Respectfully submitted,
Evelyn Shelley
School Nurse

ON OUR COVER:

In the spring of 1975, our Bicentennial Commission held a contest for the design of an emblem suitable to represent the Town in activities celebrating America's birthday. The Grand Prize winner was Susan Osgood, with the emblem reproduced on our cover.
